

00:09:28 Wade: could you please post what L.S. stands for here please?

00:10:08 Kim Private: UDT commonly is known for under duress and threat.... I wouldn't do that on your affidavit...

00:11:23 Hanna: QUESTION: Thomas' Affidavit does not list the Law of Nations as part of the list of documents... seems pretty important, though... THOUGHTS?

00:11:56 Kim Private: in the US there are 2 types of citizens

00:12:21 Angela: What is important to you gets included Hanna

00:12:27 Anna Cairns: What are these 2 types of citizens?

00:12:39 Kim Private: Marcia can answer

00:12:51 Hanna: Thanks, Angela:)

00:13:07 Angela: welcome xo

00:14:45 Barbara Taylor: What do the three diagonal lines mean? ///

00:15:06 Angela: If they don't mean anything to you take them out

00:15:21 Kim Private: marcia, when you become an ambassador are you implied to the gov a foreign national? a resident alien? something else...

00:15:32 Angela: it is a guideline of a statement of fact from your mouth

00:15:47 Michael's iPad: If we complete an affidavit and become a minister or diplomat, do we or is there a change to our passport? I'm understanding the passport is out diplomatic status.

00:15:52 Kim Private: what about de jure state?

00:16:46 Kim Private: yes that's correct

00:17:14 Kim Private: I did continental north america

00:17:17 Tracey: I think probably there are a few of us wondering if there are key things that MUST or SHOULD be included in the affidavit in order to be recognized as an emissary/ambassador by others (along with our belief/personality sovereign). Are there key things?

00:17:56 doug hamel: please direct me to where canada is not a country...thank you

00:18:28 Kim Private: Hudson's Bay Charter

00:19:06 Kim Private: why not get a patent grant from Gov Gen

00:19:08 Tracey: @Kim Private can you reference whose question you are answering when you post?

00:19:25 Kim Private: A tracey...sure

00:19:43 doug hamel: there. is something here about spiritual healing from early childhood trauma...ie. how can i express my soul's divinity if there is a wound there that 'blocks' this recognition?... any comments ideas...

00:23:01 Angela: Doug...The Completion Process...order itTeal Swan. Powerful self healing to the highest order from my perspective

00:23:03 Vanessa: Can we add our children within this affidavit?

00:23:33 Kim Private: @ doug...wouldn't your lessons on earth go towards the expression of your soul's purpose...when you heal yourself, the earth heals.

00:24:00 danellahepler: I added Agenda 2030 and the Great Rest to my list to be neutral from is that a good idea?

00:25:15 Angela: right Hanna lol xo

00:25:44 Hanna: Angela, the \$100's?? lol. yup

00:26:01 Angela: good practice though...really great practice

00:26:17 Hanna: being known by name at the post office and them

asking if I'd like some more registered mail stickers without me even asking? yup

00:30:32 Kim Private: this is a new way of living and once you know what's going on, you won't unknow it and you won't want to go back to the puke

00:30:43 Anna Cairns: This makes more sense. I don't need a birth certificate of any kind to say that I am alive. Because here I am, see me?

00:31:12 Kim Private: Anna...case law says you're not suppose to use the BC as ID anyway

00:32:28 Anna Cairns: That's not my point. The point is that I've been hearing we have to get our certificate of live birth in order to prove ourselves alive. But why? If I stand before someone - living and breathing - who can say I am dead?

00:32:38 Lawrence Cotton: That's great Kim Thank you

00:33:21 Angela: Anna the point of getting your foundational documents is so that you have proof of your rights, titles and interest to the trust / estate

00:33:36 Barbara Taylor: What does suverign mean, as compared with sovereign. Do you know, Kim?

00:34:15 Lawrence Cotton: Love Oracle Girl!

00:34:21 Kim Private: Anna....once authenticated...you become the holder in due course and now have standing....that's the real point - and what angela says, yes, it's a free grant of deed/title doc

00:34:33 Anna Cairns: Angela, What trust? What estate?

00:34:52 Kim Private: Barbara...it's actuall sovran... one is legal and one is lawful

00:35:07 Barbara Taylor: Ah!

00:35:37 Barbara Taylor: Interesting update:

Province considers future of civil jury trials | BC Gov News

<https://news.gov.bc.ca/releases/2021AG0124-001631>

00:36:41 Angela: The Registration of Live Birth Anna

00:36:56 Kim Private: ive been using the govt is a franchise caselaw and simply stating I'm not a franchisee....

00:37:49 Anna Cairns: Very confusing.

00:38:39 Ana & Gabriel: It's PTW = Powers That Were

00:39:29 Michael's iPad: I think most of mankind feels threatened by the situation surrounding voCid and we need to get this change to out status done quickly before we are forced into vacx and other strategies. If we are ministers or diplomats and seeing through the looking glass of wars act, law of nations etc, this will set us free. Otherwise we face oppression deeper than we want. Sounds selfish as mush desperate. Understand our rights and truth are being pressed and out enslavement will be ??

00:40:09 Michael's iPad: Should we trademark and copyright our name?? How?

00:40:18 Barbara Taylor: Arbutus Nation State in BC Canada has their own in house notary and they register status corrections and allodial title as well

00:40:45 Kim Private: notary is an officer of the court and

actually stands higher than judge...

00:40:56 Hanna: Right, Barbara... It's just not a public notary, is all

00:40:59 Michael's iPad: Whole truth and nothing but the truth= notary

00:41:03 Anna Cairns: Please say that again?

00:41:13 Ana & Gabriel: in Quebec we need to use a commissioner of oath

00:41:25 Hwa: Lawyers have notarial seals

00:41:26 Vanessa: I was successful with my Notary in North Bay

00:41:26 Barbara Taylor: Marcia, are you saying the three witnesses are enough?

00:41:48 Kim Private: courts won't accept 3 witnesses

00:42:06 Tracey: Does Marcia mean it is done when they DO NOT respond, not as soon as we notarize it?

00:42:35 Kim Private: the notary society is threatening notaries from witnessing our docs... I've written to them to bring this to their attention...and just got crickets back

00:42:48 Anna Cairns: Vanessa, can you please share notary name?

00:43:36 Angela: Vanessa that is so great

00:43:40 Wade: True Km, I have heard back from the afte three calls

00:43:43 Vanessa: Yes, she is a lawyer and notary and her name is Kathleen Klein. out of Valin Partners North Bay.

00:43:53 Anna Cairns: Thanks.

00:44:36 Wade: Sorry back type 0, no I have not heard back from the Notary

00:44:50 Vanessa: The official documents office called me to say everything is signed and they have given me my papers back so just waiting for them to arrive back in the mail.

00:45:08 Wade: Bad type 0's "Bad"

00:45:35 Terri: I believe in Canada that all lawyers are Notaries and I know that I BC there are lawyers fighting for others through what is going on, so they would likely witness affidavits too.

00:46:27 Vanessa: She was lovely and allowed my son to use her stamp of notary on the document so he could be a part of it. truly magical

00:46:53 David Wilcock: What call tomorrow?

00:47:12 doug hamel: here here that is the result of a life of gratitude!....me too....what call are you talking about tomorrow?

00:47:13 Anna Cairns: Yes what call tomorrow?

00:47:47 Tracey: I think it is the Urantia calls, don't remember the name of the group
