00:33:22 Wade: Hanna mentioned it first
00:33:27 Ana & Gabriel: It's a good way to build up the energy
00:33:29 Hanna: There are people I know who would be interested if there was another session of Wisdom's Calling: Blessings of Liberti
00:33:45 Fayanne Stephanie: accolades to Hanna
00:33:56 Hanna: I nominate Wade to set it up, though :))
00:34:20 Shanna Faye: Yes! In for a participants' group on telegram to stay/be connected and exchange/brainstorm/reflect/co-create! <3
00:34:21 Wade: Funny you are
00:34:51 Hanna: Better than not
00:35:30 iPad Lorraine Hewson (3): I would be interested in another session
00:38:38 Fayanne Stephanie: that makes sense Angela!
00:38:52 Lawrence Cotton: Beautiful Angela!
00:39:01 hazel bell-koski: angela this does make sense!
00:39:02 Shanna Faye: I heard I don't think it's mutually exclusive
00:39:25 Shanna Faye: *hear you on that, Angela, and...
00:39:51 Hanna: So Wade and I will collaborate on setting up Telegram if everyone agrees that's a good idea... unless Angela has something up her sleeve

00:40:19 Shanna Faye: Please do, I'm all for it, Hanna and Wade
00:40:31 Lawrence Cotton: For the criminally insane
00:40:46 GiaMarie: interested as well
00:41:40 Rosina: wasn't that a jail with dangerous criminals??
00:41:48 Fayanne Stephanie: it's the Butterfly story again!! I always think about that Marcia
00:44:23 Wade: So, I need to know if anyone wants to join a Telegram group on this topic? Name it Wisdom's Calling? or any suggestions.
00:44:40 Hanna: Wisdom's Here!
00:44:43 Hanna: :)
00:45:02 Wade: 
00:45:34 Anna Cairns: I've written the Dean of Queen's saying mandating vaccines is medical apartheid, I am leaving the university, and I am starting a campaign to get other students to do the same.

00:46:31 Richard Moorhead: file:///C:/Users/moorh/Dropbox/PC/Downloads/SC-Notice-of-Liability-Employees_Action4Canada.pdf
00:47:20 Shanna Faye: @Richard: the link doesn't work - will you repost, please?
00:47:39 Wade: Ok everyone, a Group in Telegram has been created, it is called Wisdom's Here
00:48:29 Richard Moorhead: copy my link and put into your browser-5 pg document
00:49:04 Lawrence Cotton: I couldn't access it Richard
00:49:28 Shanna Faye: Wade, don't see that group on Telegram there's one 'Wisdom Sold Here'...
00:49:35 Wade: it doesn't appear
00:50:06 Shanna Faye: @Richard tried the copy paste - didn't work.
00:50:07 michael-eric: Real world.... legal or Bar will claim we are crazy if it's not with their thinking or agenda. Courts say one thing but deny torte. All 3rd party that enforce the illegal acts are protected. You will be roughed up and left to accept it. Companies have been given the govt controls to push masks and vaccines. Sorry we are being pushed as slaves and need to move lawfully not legally.
00:50:13 Shanna Faye: It's not an active link...
00:50:49 Richard Moorhead: <https://action4canada.com/employee-vaccine-notice-of-liability/>
00:50:52 Anna Cairns: But to enforce that contract wouldn't you become a combatant?
00:51:05 Toshiba_User: <https://www.youtube.com/watch?v=9TsAQs92wto>
00:51:40 michael-eric: Where do we find law of nations book 4??
00:51:50 Toshiba_User: That video is a Canadian lawyer talking about how vaccine passports is coercive and unconstitutional.
00:51:59 Barbara Taylor: <http://the-eye.eu/public/Books/campdivision.com/PDF/Law/LawofNationsVattel.pdf>
00:52:45 michael-eric: Thank you Barbara!!
00:53:51 Fayanne Stephanie: awesome thanks Barbara!
00:54:11 Lawrence Cotton: Thanks Barbara. Thanks Richard
00:54:29 GiaMarie: A frequency change
00:55:04 Barbara Taylor: Vapona no-pest strip for government
00:55:35 Fayanne Stephanie: good idea Barbara haha!
00:55:44 kim: i have a long way to go
00:56:42 danellaesler: I work with scalar wave machines and I see the how the fear is damaging people vitality even though I have codes for the fear they are creating is impeded in cells
00:57:08 Anna Cairns: yes daniella i am positively exhausted
00:59:13 Ana & Gabriel: Law of War... referencing Neutral Powers

00:59:23 Helena Morales: YES! Parallel timelines. Love it!
00:59:31 Fayanne Stephanie: nicely stated Shanna Fay
00:59:36 Ana & Gabriel: The Convention on Rights and Duties of States
00:59:45 GiaMarie: Beautiul
00:59:55 Shanna Faye: Thanks Gabriel!

01:00:23 Ana & Gabriel: Filartiga v. Pena-Irala
01:00:40 Ana & Gabriel: welcome Shanna
01:01:18 Fayanne Stephanie: we KNOW its not hour frequency
Marcia Ann!! :-)
01:01:58 Greg E: If Marcia freezes again she should cut off her
video when she speaks.
01:02:01 Hanna: Some of you might resonate with the work of "Oracle
Girl". <https://www.oraclegirl.org/>
01:02:08 Ana & Gabriel: Marcia-Ann is shifting frequencies
01:02:20 GiaMarie: Smile
01:02:35 Fayanne Stephanie: thanks Shanna Faye
01:05:19 Fayanne Stephanie: I live on a small island, so they
might have trouble coming to MY house!
01:06:26 Fayanne Stephanie: be still little fly...I remember
that movie!
01:07:17 Fayanne Stephanie: would love to see that video!
01:07:46 Lawrence Cotton: Bully Nation
01:08:42 doug hamel: well spoken
01:09:09 Rosina: bless you Barbara
01:09:37 Barbara Taylor: [https://www.youtube.com/watch?
v=ZlnQQUjFTDg](https://www.youtube.com/watch?v=ZlnQQUjFTDg)
01:10:07 Fayanne Stephanie: Thanks!!!
01:11:17 Ana & Gabriel: They play games....
01:11:35 Fayanne Stephanie: how much of it did you fill in On
mine I only filled in how many people live at this address 5
that's all I filled in
01:12:47 Anna Cairns: how to deal with such things without being
in conflict. barbara could have told them they were trespassing. she
had the right to call police to have them removed. is that combat?
01:13:42 Shanna Faye: We do French, Susan, no worries
01:13:58 Barbara Taylor: I completed the first section only. There
is then a break and a second section with all the additional
questions. I requested a mail in copy because I had heard that they
make the online form difficult to skip the second section. I had
also learned, from a video, that if you complete some of the
questions in the second section but not all of them, they can then
come after you for not completing or incomplete.
01:14:58 Barbara Taylor: Good point, Anna. The 'crew supervisor'
actually said that she has the right to come onto private property,
etc.
01:15:33 Barbara Taylor: I got her name and ID number, made her
show me her ID card (on her lanyard)
01:15:34 Anna Cairns: No. She does not. Not even police have
that right.
01:16:27 Toshiba_User: Chanting mantra's will help with the
throat chakra
01:17:10 Anna Cairns: According to Kevin J. Johnston you can put
up a no trespassing sign. Anyone who contravenes that can be charged
\$10,000. I would have to confirm that because my memory is not great
right now. But how far can we go without being in conflict?
01:17:19 kim: I wish I was there
01:17:33 Fayanne Stephanie: me too Kim me too
01:18:11 kim: yes
01:18:37 Fayanne Stephanie: I appreciate your honesty Hanna

its tough sometimes I get it

01:21:20 danellahesler: where are you Anna?

01:21:27 Hanna: I recently heard someone say that a lot of the "older" traditions are on a lower frequency than we are in (and constantly rising)... so they were right for their time, but not for ours.

01:22:14 Gigi D: Conscious language helps us raise our frequencies...dismantling our thoughts and beliefs are so important

01:22:15 GiaMarie: Much love

01:22:25 Helena Morales: thank you for your vulnerability Anna

01:23:01 Deborah Kelndorfer: thanks anna for sharing

01:24:13 GiaMarie: Yes, I see you Anna

01:24:38 Marcia: Whatever you say is made so because the mouth of the divine hath spoken it.

01:25:13 Trinity O'Brien: Thats a good one Marcia!! Thank you

01:26:13 Helena Morales: (I appreciate the inner work that needs to be done "alone" as Angela said. And, I would be open to a Telegram group now that this course is coming to a close.) 100% what Shanna just said, when you are connected to yourself, there is no isolation <3

01:26:47 GiaMarie: I would be open as well

01:27:08 Gigi D: Anna ... you are strong, powerful and well able to see in your mind's eye your absolute best self and divine self!

01:28:32 GiaMarie: Wonderful

01:30:03 Barbara Taylor: I saw this recently:

01:31:23 Barbara Taylor: "Door Knockers, No solicitation. This property charges \$50 per minute to listen to any vaccine / medical advice. PAYMENT REQUIRED IN ADVANCE By knocking or ringing our doorbell you AGREE to the terms stated above."

01:31:55 Barbara Taylor: This sign turned away jab solicitors in the US

01:32:09 Barbara Taylor: We could do the same for Census people!

01:32:27 Hanna: To all of you... see if you're drawn to <https://www.oraclegirl.org/> I am finding it really helpful in dissolving what this woman, Jacqueline, calls the "slave self".

01:32:39 Toshiba_User: I refused to do the census and haven't heard from them in 2 months. When they came to the door I said I do not consent and do not want to contract and did not give my name. Then when they sent the third letter, I wrote "No contract, I do not consent and return to sender" on the envelope. And that was it.

01:37:55 Lawrence Cotton: One must of course agree that the Urantia Book is an authentic channeled document.

01:40:46 susanstokhof: Could I have a link to the Urantia Book? @lawrence

01:41:07 Barbara Taylor: <https://www.urantia.org/urantia-book/read-urantia-book-online>

01:41:24 Lawrence Cotton: Quick draw

01:42:27 susanstokhof: Thank you @Barbera!

01:42:59 susanstokhof: 😊

01:43:23 Lawrence Cotton: Truly!

01:46:09 susanstokhof: I had someone come to my home re: census, all I answered was how many people live in my home. Nothing else. I told him that he did not need nor require anything else from me. He left and I've never seen them again.

01:47:42 Ana & Gabriel: Brilliant Irene
01:47:58 susanstokhof: Thank you for sharing everyone!
01:48:00 Lawrence Cotton: Thank you Irene!
01:48:08 GiaMarie: Thank you Irene
01:48:33 Gigi D: Thank you Irene ... you are so fun and happy and helpful in it all
01:49:58 Barbara Taylor: My pup is bursting at the seams. See everyone next week! Thank you!
01:52:12 Vanessa: Thank you Maria
01:52:21 GiaMarie: Thank you
01:52:26 Deborah Kelndorfer: good night
01:52:28 Sarah Jane: thank you so much much love and light
01:52:29 kim: goodnight
