

00:17:49 Kim Private: if they want to emancipate from parents they would have to prove competency

00:17:56 Erin: can I do a affidavit claiming my son back

00:18:04 Kim Private: yes.

00:18:17 Anna Cairns: Kim are you sure? Children are able to contract for many things.

00:18:19 Kim Private: or negative averments

00:18:33 Kim Private: like what...

00:18:47 Erin: does anyone have any experience doing so? or a template for viewing?

00:18:47 Kim Private: its not a valid contract

00:19:01 Kim Private: the POA module in SBD has one I created

00:19:10 Anna Cairns: they are allowed to contract for the necessities of life: food, shelter, clothing.

00:19:46 Erin: amazing thank you will check out 🙏

00:19:51 Kim Private: not really...send me the law fact

00:20:15 Kim Private: the crown is still parens patriae - that's why CPS can seize the child

00:20:25 Kim Private: driving age is still 16?

00:20:38 ~lynn;: Thank you Marcia!

00:21:34 Kim Private: how are they contracting?

00:21:44 Kim Private: verbal, written, deeds...

00:22:04 David Wilcock: @Marcia Ann I heard from someone that some authorities might not 'accept' it...

00:22:05 Anna Cairns: I will have to look it up. I remember this from contract law course taken years ago.

00:22:34 Kim Private: yes please advise when you find it..would be great to see it

00:23:08 Anna Cairns: yes, remember it surprised me. A child as young as 7 can contract for necessities.

00:24:25 Kim Private: I think you could get out of any contract a child has if you challenge capacity and competence

00:24:38 Kim Private: at the time of contracting

00:25:04 Kim Private: and on the basis of full and proper notice/disclosure given

00:30:14 Vanessa: We are who we have been waiting for

00:30:35 Angela: yes Vanessa...exactly

00:31:42 Cathleen: What does "coming from source" mean? I don't understand the phrasing.

00:32:35 Fayanne Stephanie: God/ higher power

00:33:41 Angela: Vanessa you are the first I have heard that has achieved that with that division

00:34:50 Erin: what division?

00:34:52 Hanna: Vanessa, which division? Sorry, little guy was distracting me

00:35:19 Angela: Province not division

00:35:34 Erin: 🙏

00:35:36 Anna Cairns: and what did Vanessa achieve?

00:36:06 Anna Cairns: could use good news

00:39:42 Vanessa: I am really starting to understand what that means now' Know who you are" Thats very powerful

00:43:50 Barbara Taylor: So, are you saying, Marcia, that you are not 'prepping' in any way?

00:44:09 Fayanne Stephanie: I just LOVE how beautifully you

put things Marcia!!

00:45:40 Ana y Gabriel: Thank You Marcia, last week I experienced a shift when I realized that my role now is to be an "ambassador of the divine". Be and Do as part of a higher jurisdiction than the one that's been ruling the planet for a while.

00:48:05 Clare Bassett: I needed to hear that. Thank you

00:49:51 Lawrence Cotton: So Beautiful Marcia! Thank you for the reminder.

00:51:30 Vanessa: We attract what we are expressing at any given time.

00:52:25 Ana y Gabriel: Q. Marcia, can you elaborate on what exactly is a public minister? Like a "prime" minister?

00:52:45 Anna Cairns: I'd like to know more about safe passage.

00:53:11 Tracey: what about taking an active role in shifting the corrupt government and local officials? is the idea to stay passive in terms of that or are we still working to shift that to people in their of integrity?

00:54:15 Vanessa: I forgot to ask about writing a Plebiscite for Canada

00:54:37 Hanna: Tracey, my take on "shifting the corrupt government" is to withdraw all attention from the, all recognition, to disregard them completely... and to put attention on my immediate here and now an to do what Marcia talks about- embody our divinity... and all shifts

00:54:54 Cathleen: I would like to hear a concrete example of what someone has achieved with such an affidavit.

00:56:15 Vanessa: Sorry a plebiscite

00:58:01 Anna Cairns: The Law of Nations PDF: <https://www.lonang.com/wp-content/download/Vattel-LawOfNations.pdf>

00:58:52 Shanna Faye: Thank you Anna

00:59:29 Fayanne Stephanie: it was my understanding the top police officer in Australia is getting ready to arrest these so-called "higher-ups" for this Covid Mandate sham

00:59:44 Kim Private: yes I heard that too

00:59:57 Fayanne Stephanie: fingers crossed!!

01:00:31 Ana y Gabriel: Q. What's the difference between being sovereign and self-determined?

01:00:47 Kim Private: <https://www.scribd.com/document/426287074/12-Presumptions>

01:02:12 danellaesler: I read that the US is also bankrupt so is it also a territory?

01:03:05 doug hamel: can anyone please produce the docs, ordinances, etc that we can quote show Canada is in debt and does not exist...thank you doug

01:03:44 Fayanne Stephanie: kim that site will not allow me to download the documents unless I sign up and pay. Could you please send any other way?

01:04:24 Cathy: Mine opened

01:04:52 Kim Private: its just a sample of what you can look up on other sites

01:05:12 kim: Can you provide us with a list documents we need to change

01:05:41 Kim Private: you need to know who you are before your start that document process

01:05:48 Cathleen: does someone have info or links on how to

view the film "Inside Canada" which someone mentioned a couple of sessions ago? I can't find out anything about it on the internet.

01:06:32 Brigitte Rhea: That's beautiful!!

01:06:59 Brigitte Rhea: "I come from a state of grace"

01:07:02 Angela: Cathleen "Inside Canada" or The Myth is Canada?

01:08:05 Cathleen: I thought someone said Inside Canada.

01:09:30 Kesara: Can Kim talk a little more about "how" to do change the fiduciary duties of the government? what kind of paper work needs to be done. is that mean that we switch from being Trustee to Beneficiary? and how do we do that?

01:14:15 Sam Sundara: Thank you ladies! Great to put that into perspective

01:16:05 Kim Private: The aut1 form was the t1013...but you need to know who you are in relation to this...and who else you are going to assign authorization to

01:16:40 Kim Private: are you going to use a SPV or trust to act as the trustee to administrate your legal fiction...do you know you were given a legal fiction?

01:20:48 Hanna: Anna, Elections Canada for cancelling voter registration federally and Elections BC for BC. I had to email Elections BC to get the form. They were very quick to respond. Elections Canada has a form available online. However, it took Elections BC 6 months for me and 8 months for my husband to finally remove us from the list. Elections Canada was a matter of weeks.

01:20:51 Fayanne Stephanie: that story about the butterfly helped me SO much we have to GET there ourselves and we will inherently know when we are there and ready

01:21:38 Tracey: I think it will need reading those articles many times to understand and integrate

01:22:17 Fayanne Stephanie: agreed Tracey

01:23:12 Tracey: If I understand correctly, we don't necessarily need to de-register all these documents, once we know who we are and create our affidavit of public ministry we will transcend those contracts by knowing who we are and claiming that.

01:23:40 Kim Private: amendments and addendums to your contract

01:23:55 Kim Private: any of their offers can be rescinded

01:24:20 Anna Cairns: thank you all

01:24:39 Fayanne Stephanie: thanks for your question Anna

01:24:43 Kevin: @Tracey but at the same time if we want for example our pay and a service corp is taking part of it, we need to communicate with such service corp and tell them, hey give back that portion you took from me!

01:30:53 Michael's iPad: I understand the fear and wanting to do it right. Also as they have pushed us to... we keep reading and get beyond the frustration or the what about here in Canada or Australia or.... we start seeing where we are going to be. The thought of ambassador or minister sounds illegal... but it's not. It just is and as Angela hints to we will find the secrets and move in to it. This is Cool and exciting as much as intimidating!! I'm being adjusted no doubt. Letting myself get pulled by them is pretty gratifying. Much love and vibe to all! 🙏🙏

01:32:00 Angela: Beautiful Michael

01:33:14 Vanessa: amazing thank you Marcia

01:33:34 GiaMarie: Thank you Marcia

01:33:57 Fayanne Stephanie:           yes Michael I wanted someone to clip my little cocoon but now I see in the long run it will not help me at all

01:37:33 Ana y Gabriel:    Yes Angela, as good as all this is, I feel like we are diverging... between systems.

01:38:17 danellahester:   get your head out of your hearts business is that what Marcia is saying?

01:38:40 Ana y Gabriel:    Yes... thank you for reframing.

01:39:40 Lawrence Cotton: Thank you

01:39:47 Lawrence Cotton: MArCIA ANn

01:40:07 Lawrence Cotton: Thank you Angela and Kim.

01:40:15 Lawrence Cotton: Thank you ALL

01:40:25 Tracey: Agreed Hanna

01:40:32 Wade:    Ive got to go guys thx again Ladies

01:41:43 Kesara: Can Kim do another webinar to talk more about the 'head stuff' as I feel that there has to be a balance? right now we do have more to deal with the head stuff. thanks.

01:41:48 Michael's iPad: If it's uncomfortable it working!! Unlearning has great discomfort. I can't imagine at what point Kim, Marcia or Angela all the sudden had that aha moment when it all just sunk in and became easy. That's what I look forward to

01:42:54 Greg E: The beat officer may not know what you are presenting. Require that you speak with their superior...sgt., Lieutenant, captain...etc.

01:43:15 Anna Cairns:       Quebec is strange

01:43:41 Anna Cairns:       Not the province, but the police organizations.

01:46:49 doug hamel:        What we are dealing with here is projection! a jungian term where we place our shadow on others and it manifests...it is fundamental jung work...

01:48:40 Angela: that's awesome Doug

01:50:25 Fayanne Stephanie:       Nice Doug!! Nicely stated thank you!

01:50:53 Ana y Gabriel:    Well said Doug. Bless you

01:51:01 Fayanne Stephanie:       that's awesome Doug!

01:52:10 Fayanne Stephanie:       you guys are amazing!!

01:52:14 Anna Cairns:       well said Doug

01:52:31 Kesara: Thanks Doug!

01:54:09 Fayanne Stephanie:       thanks for staying Marcia! X0

01:54:12 Clare Bassett: Thank you to everyone - I am so grateful for this whole discourse

01:54:22 Cathleen:       good seeing you all!

01:54:25 Hanna: Thank you!!

01:54:30 Angela: thank you everyone.....so grateful

01:54:33 Saroni: Great session. Thank you

01:54:37 Anna Cairns:       thank you Marcia

01:54:37 Ana y Gabriel:    thank you all... and bless you all

01:54:46 Michael's iPad: Thank you!,

01:54:49 Lino and Deborah:       thank you
